Madam,

Apropos of the above, I express my heartfelt gratitude for arranging approval of the projects under Basic Urban Services for the Urban Poor (Phase II) Project under JnNURM. No appreciation is enough for dedicated service you have rendered for the cause of the municipality.

We hope our relationship is so bonded now that we may anticipate ushering a new era of our collaboration in further projects. We shall be highly obliged if you provide further consultancy service for our much hyped 24x7 potable water supply project under JnNURM.

Thanking you.

Yours faithfully,

(Krishna Chandra Hajra)
Chairman, Bally Municipality.
